

The Red Oak Park and Tree Board would like to advise the public that the City of Red Oak is to be contacted for usage of city parks when you are referring to picnic areas. If you want to use a shelter in Legion Park, Kelly Park, etc or the Pavilion in Chautauqua Park, you are encouraged to phone City Hall at 623-6510 or e-mail to redoakcity@mchsi.com. This assists the Park Department in making sure there are enough picnic tables, grass is mowed or the need of setting up extra trash receptacles. It can also help to avoid a conflict with any other group planning to use the same park at the same time.

As always, the parks are on a “first-come, first-served” basis. This procedure is intended only to help your group and the Park Department to better prepare for your upcoming event. This is not a reservation, nor does it grant exclusive use of any particular park or area. A representative from your group should arrive early to hold the particular park or area you want to use. No alcoholic beverages nor smoking are allowed in any Red Oak park or any of the properties of the City of Red Oak. When the event is over, it will be your responsibility to clean up the area.

Even though the Montgomery County Family YMCA schedules activities at the sports complex, other ball playing fields and the city’s tennis courts, the City of Red Oak still maintains all other park usage.

Thank you for your cooperation.
